### AIRCRAFT OVERVIEW

Graham Aviation Consulting & Pilotage is offering this 2009 Bell 206L 4 advertised. Pictures do not do justice to the helicopter, and the colours are very vibrant. This helicopter comes with a fresh annual inspection and is ready for work. All maintenance records are complete and we have a computer tracking record we can forward you upon request. No accidents or incidents, 618.4 TTSN and one owner. Features Heli-Basket and 407 Ground Handling Wheels.
